Subject: International Star Award for Quality (ISAQ) for
COLLEGE OF ACCOUNTANCY AND FINANCE

Dear Sirs:

COLLEGE OF ACCOUNTANCY AND FINANCE has been selected to receive the International Star Award for Quality (ISAQ) in the Gold category at the International BID Quality Convention which will take place in Geneva, Switzerland, on Sunday, September 24th. The decision to present this award is the result of research and analysis carried out through Quality Hunters, leaders, entrepreneurs and experts in quality, directed by Business Initiative Directions (BID), to recognize the contribution of COLLEGE OF ACCOUNTANCY AND FINANCE in terms of Leadership, Quality, Innovation and Excellence.

The ISAQ Selection Committee used, as a basis, the criteria contained in the QC100 Total Quality Management Model which, in conjunction with BID's Quality Mix technology, will strengthen your position of leadership and help you to improve the growth and visibility of your organization.

In the conventions carried out by BID during the past 10 months in the emblematic cities of Paris, London, Madrid, Geneva, Frankfurt and New York, companies and organizations from 121 countries were the protagonists. During that period, those participating leaders and experts in quality and excellence submitted their votes for those candidacies presented.

At the Geneva Convention, BID will also present a seminar led by a panel of qualified professionals in the field of Quality Theory and Practice on topics of particular interest to the specific sectors of award winners.

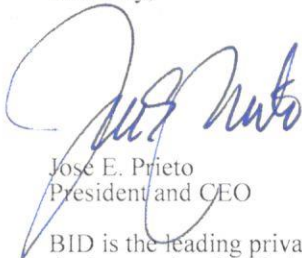

The International ISAQ Convention will take place in Geneva on September 23rd and 24th, 2017, with the award presentation being held at the spectacular Intercontinental Convention Center, across from the United Nations European Headquarters. Delegates of the award-winning businesses, organizations, universities and educational institutions will participate along with other colleagues.

The ISAQ Award, given to leaders by leaders, is sponsored by 26 Imapress media publications (www.imapress.com), all oriented towards organizations focused on Innovation, Quality and Excellence. Upon receiving the ISAQ Award in Geneva, COLLEGE OF ACCOUNTANCY AND FINANCE will join a select group of previous BID award recipients, strengthening its own prestige as a result.

To register for information about receiving the ISAQ Award in Geneva, and opportunities for marketing and networking during the convention, and arrangements for visas and accommodation, visit www.bid-star.com
